SUADELA COLLEZIONE DEGLI ENOLOGI

A one of a kind collection of Italian wines, from very different parts of the country, made by Italy's leading winemakers (*enologi*), from their favourite vineyards, released in small numbers.

Rapsodia in Rosso

2017

Vino d'Italia

Riccardo Cotarella quite literally transcends the borders of traditional winemaking, and for the first time creates a blend celebrating 3 of his favourite regions in central Italy – a true Rhapsody in Red.

Rapsodia in Rosso is a composition made with Syrah (50%) and Merlot (30%), and one indigenous grape variety much loved in central Italy (20%). Each variety is vinified separately in stainless steel, and matures in small French oak barrels (*barriques*). Selection and blending takes place at the end of maturation, and results in a rich, dark red wine, well balanced with body and length.

Friuli Colli Orientali Bianco 2016

Denominazione di Origine Controllata

Having travelled extensively around the wine countries of Europe (and beyond) to study vines and soil, **Gianni Menotti** returned to his home of Friuli to make this very special white wine.

Made to be the fullest expression of the marlstone hills of Friuli, near the Slovenian border, a blend of Friulano (28%), Pinot Bianco (40%), Sauvignon Blanc (30%) and Riesling Renano (2%). Each of the varieties from vines that are 35-45 years old, the first three, characteristic of Friuli, defining the aromas, and the Riesling Renano adding a hint of salty dryness. The Sauvignon Blanc is aged in steel, the other three in *barriques* and *tonneaux*.

Toscana Rosso

2016

Indicazione Geografica Tipica

Umberto Trombelli sees his role of *enologo* as that of an 'expert servant' to the vineyards and their vines and soil – using his experience to allow them to express themselves to the fullest.

This intense ruby red wine is a blend of Sangiovese (50%), the much loved grape indigenous to Tuscany, and Merlot (50%), originally from France but today an unmissable part of many of Tuscany's most admired wines. Both grapes grown in the province of Siena, but vinified separately. After ageing two years in *tonneaux* (500 litres) and a year in big barrels (1,000 litres), blending is done not long before bottling.
