HOW TO MEASURE

Use a tape measure, write down your measurements, and compare them to our size chart to find the right one.

Hold the tape measure horizontally to measure:

1. The chest , around the fullest part

2. The waist , around the narrowest part

3. The hips , around the widest part, keeping the feet together

Hold the tape measure vertically to measure:

4. The inside seam , from the crotch to the floor

5. Height , from the top of the head to the floor, maintaining a straight posture
